Mid-Term Review

Alta Scuola Politecnica

Fas.P.onSite

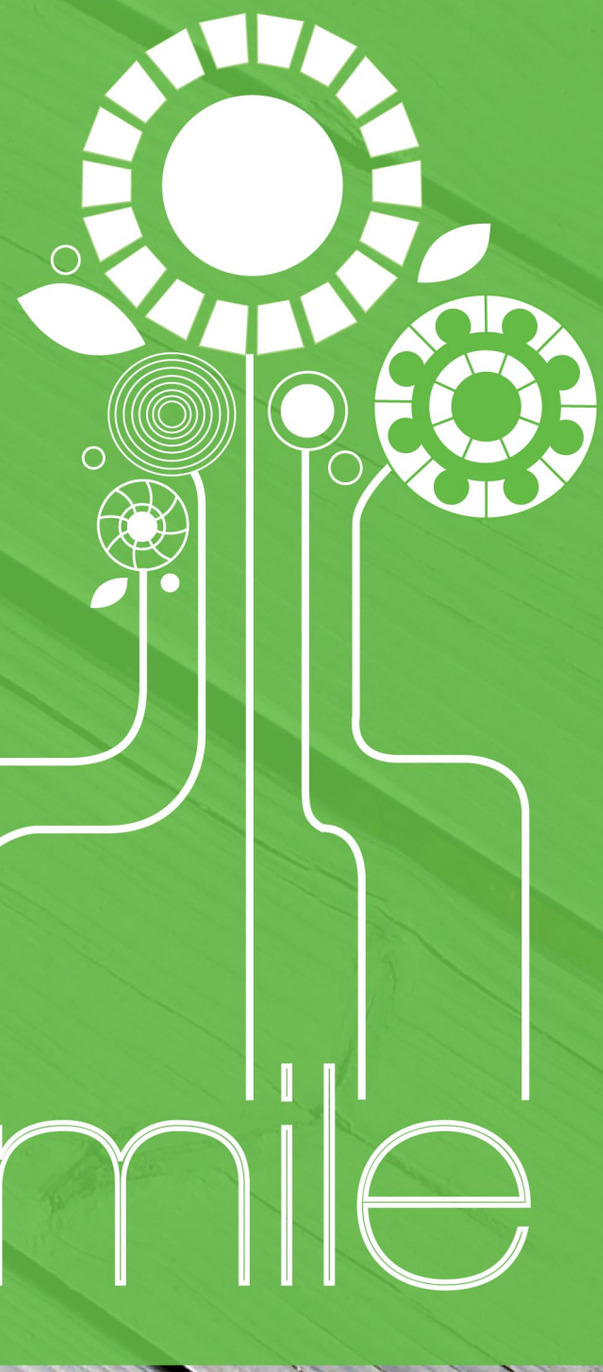
Team C

Laura Lalario - Francesca Morroni - Enrico Prunotto - Elisa Ratto - Mario Sangiorgio - Luca Schiatti

SUSTAINABILITY

KEY VALUES:
Lean
Onsite
On demand
Green
Visible

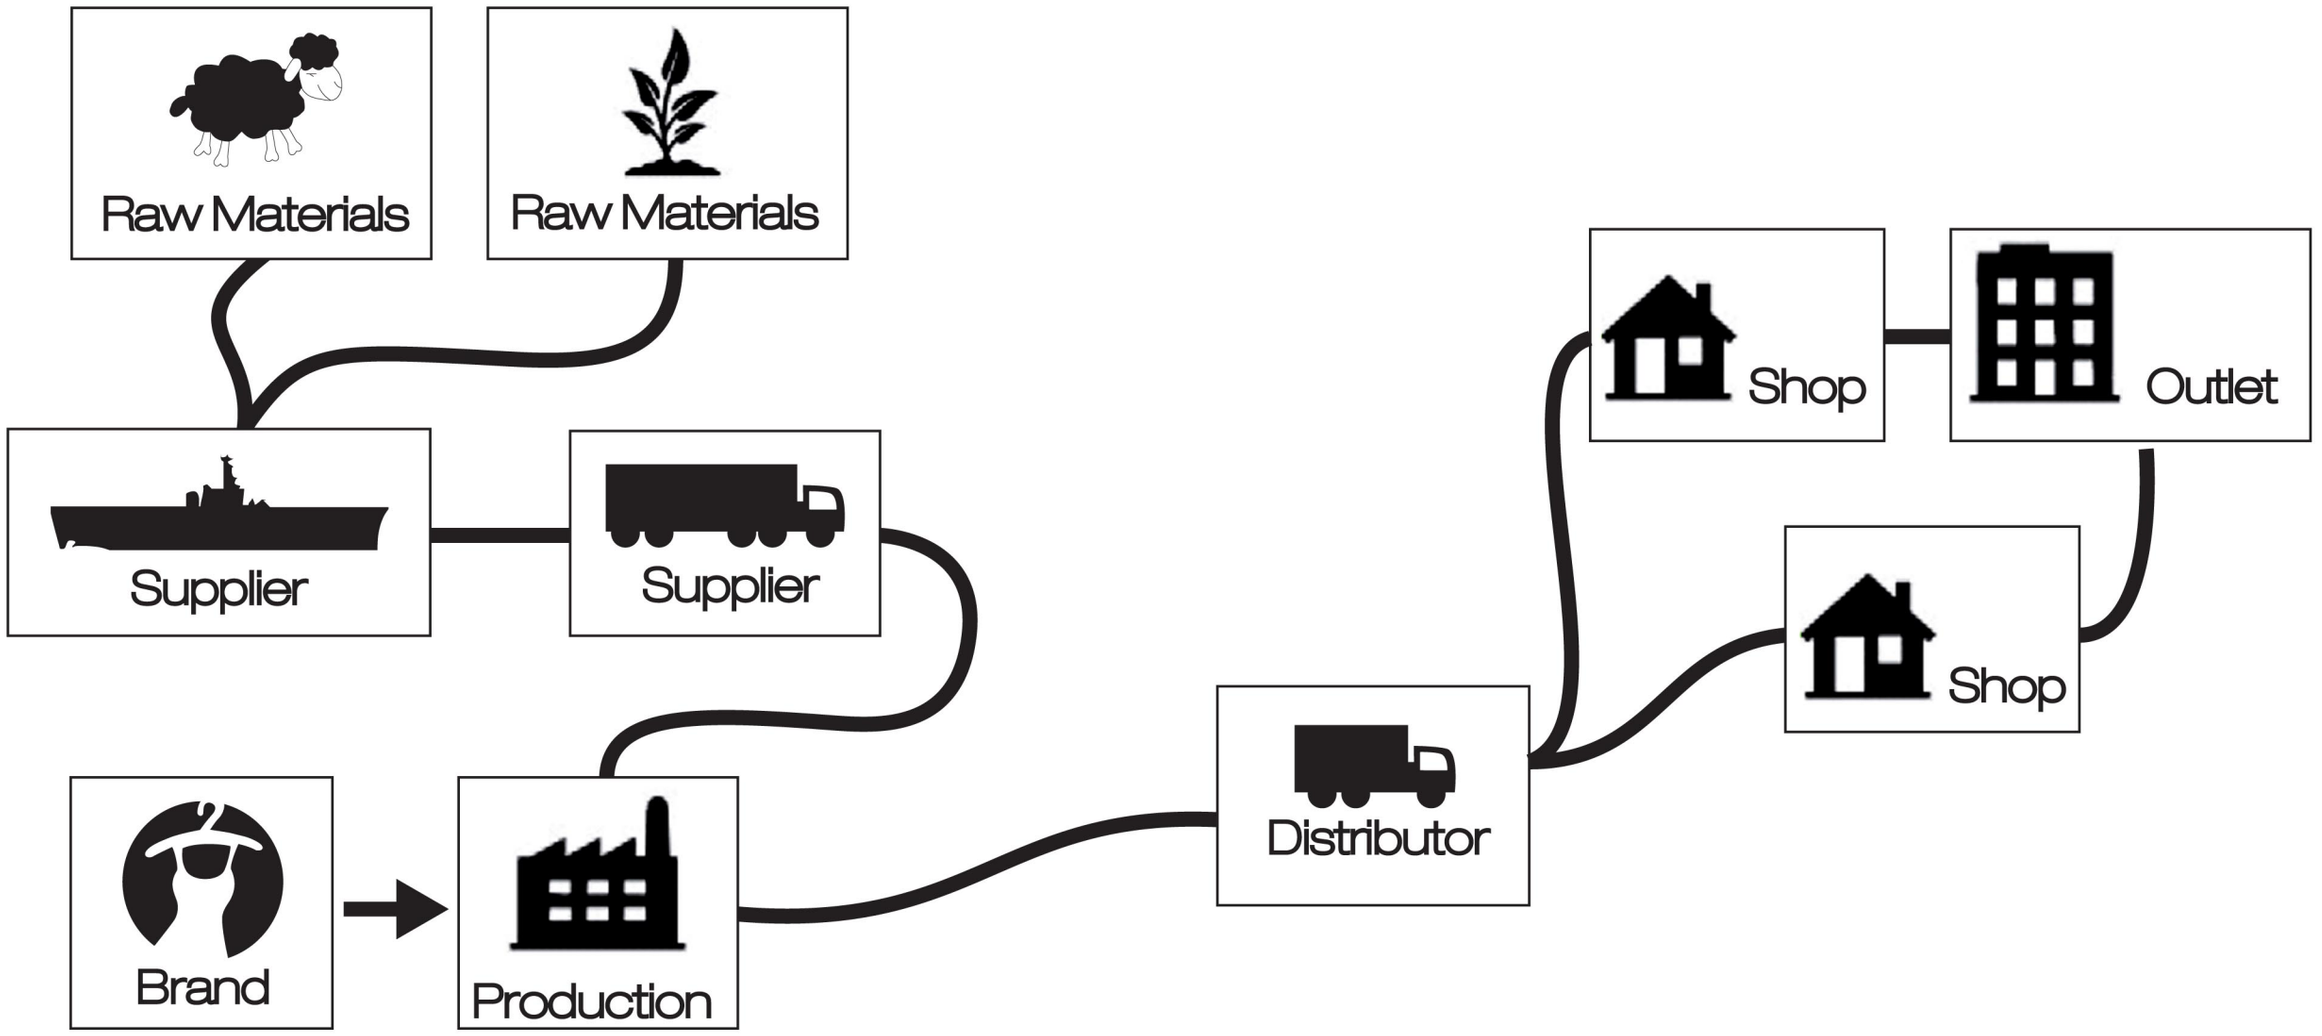
Sustainable
Modular
Interface for
Local fashion
Engine



Smile

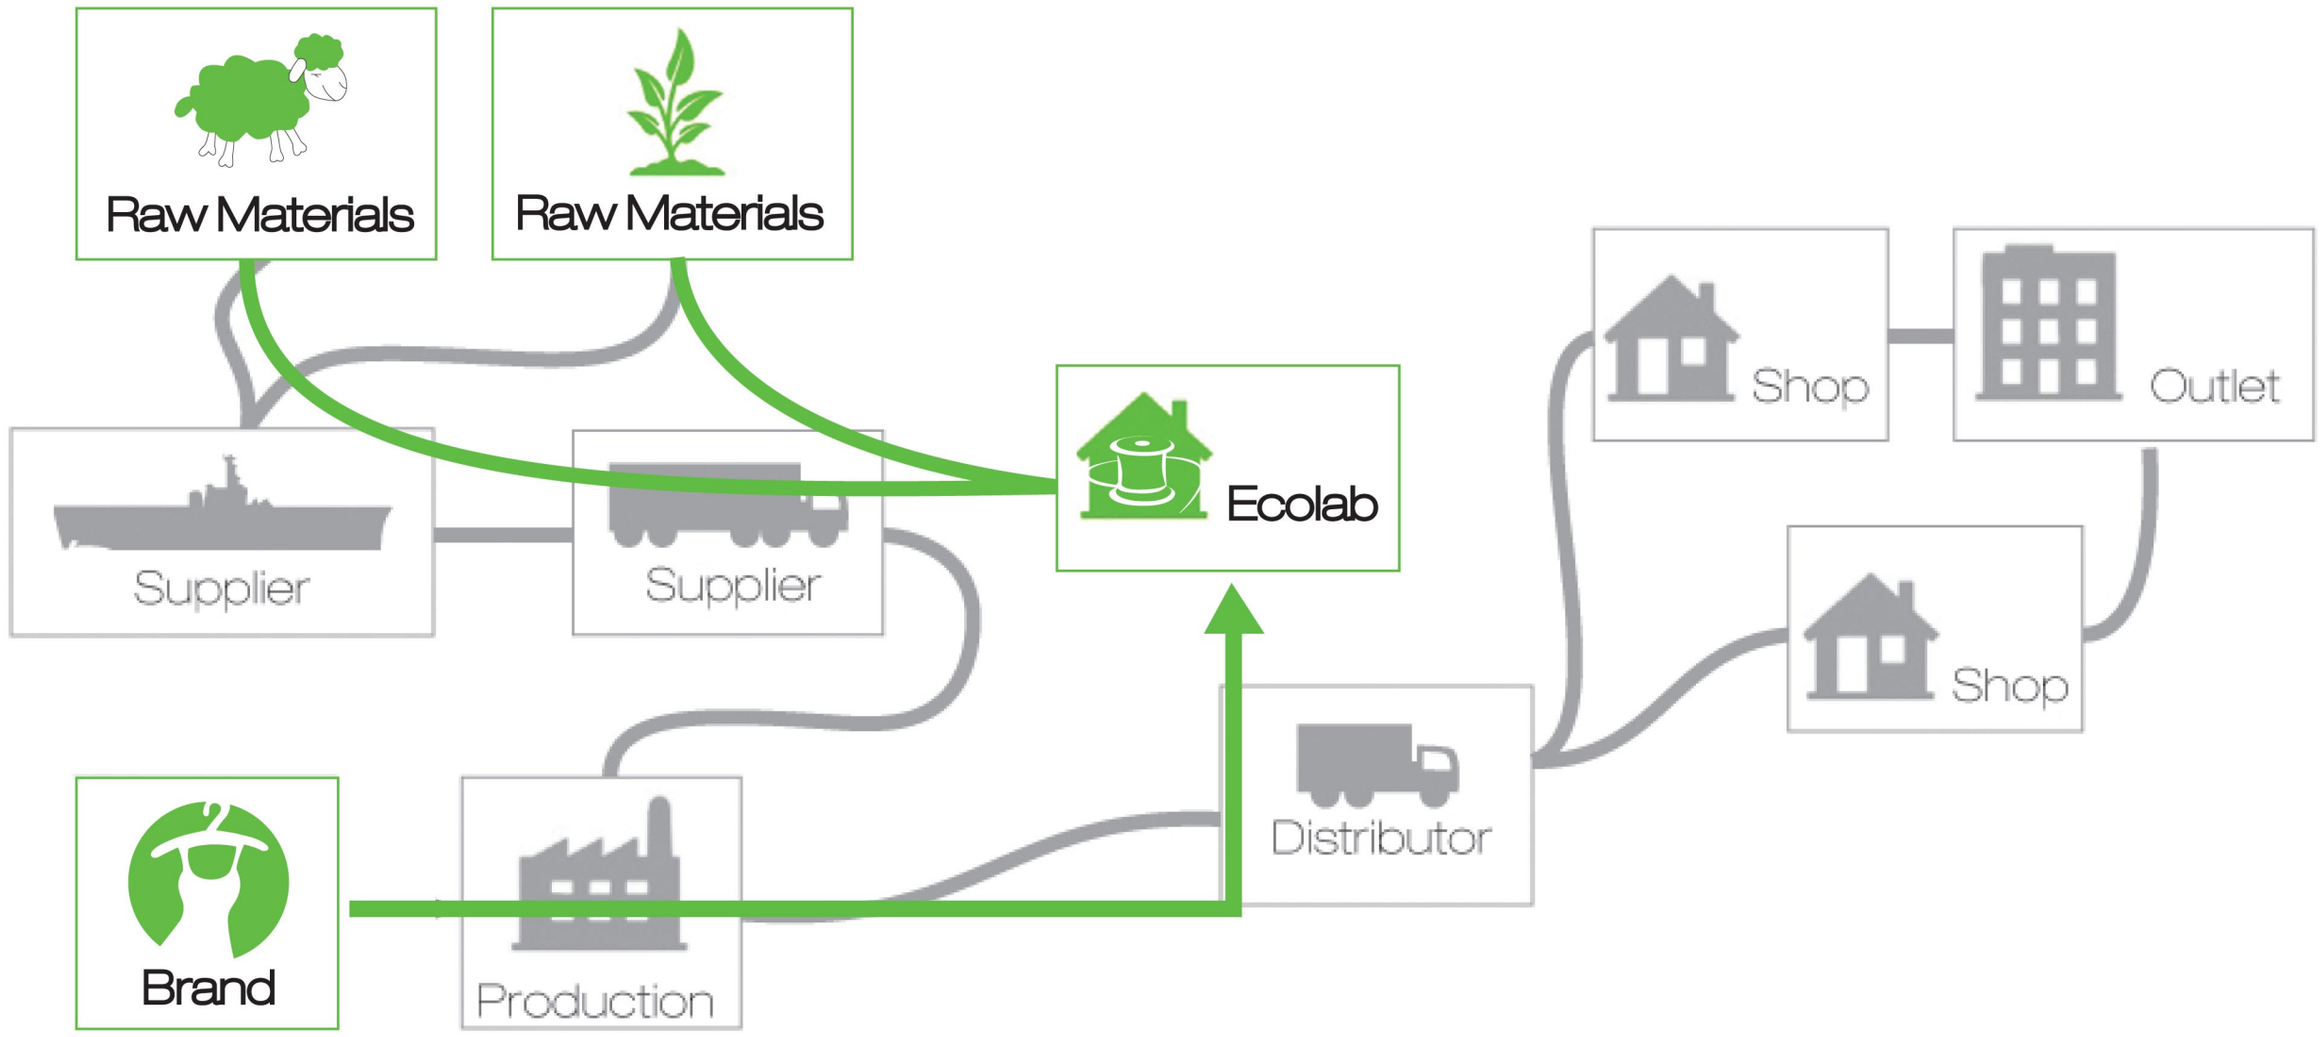
Objectives

Redesign and Reengineering the fashion industry,
making it greener!



Objectives

Redesign and Reengineering the fashion industry,
making it greener!



Activities carried out

- Study of the current fashion industry architecture

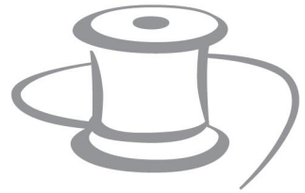
Problems:

Time

Waste

Logistic

Energy



Resourses

- Understand the technological solutions

yourchoice SHIMA SEIKI

Cogreen

Miele

ecotec yarn with moral fiber

milkofil® organic milk yarns

- Case study
